

Child's Name:

ZGYPT Financial Aid Application

for Children's and Youth Theatre Workshops at Portage Center for the Arts

Full and Partial Scholarships are awarded based on financial need. No one is denied access to a program due to financial burden. Requests may be denied if the class is at capacity, under-enrolled and therefore not running, or if the applicant does not financially qualify or meet deadlines.

Applications will be processed in the order they are received. Scholarships will be awarded at least one week prior to the start of class. **The application deadline is June 1 for all workshops.**

Financial need is determined by the Household Size Income Scale for USDA Nutrition Programs. Please enclose a copy of your family's eligibility for free/reduced school lunch with your application. If you cannot provide a copy of your family's eligibility for free/reduced school lunch, please submit a tax return form for the current year for your household.
